

How to login on the Totality Core web browser for the first time if your an existing Saxo Client

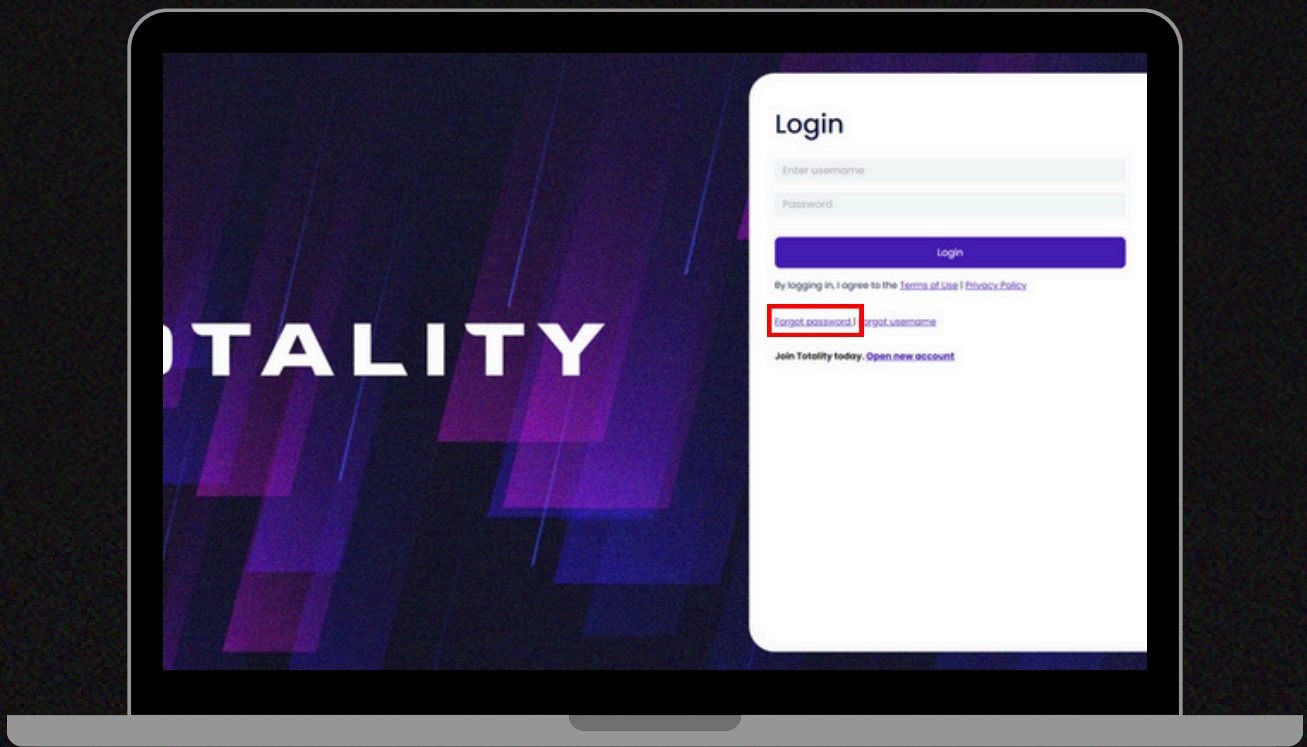

Walkthrough Guide

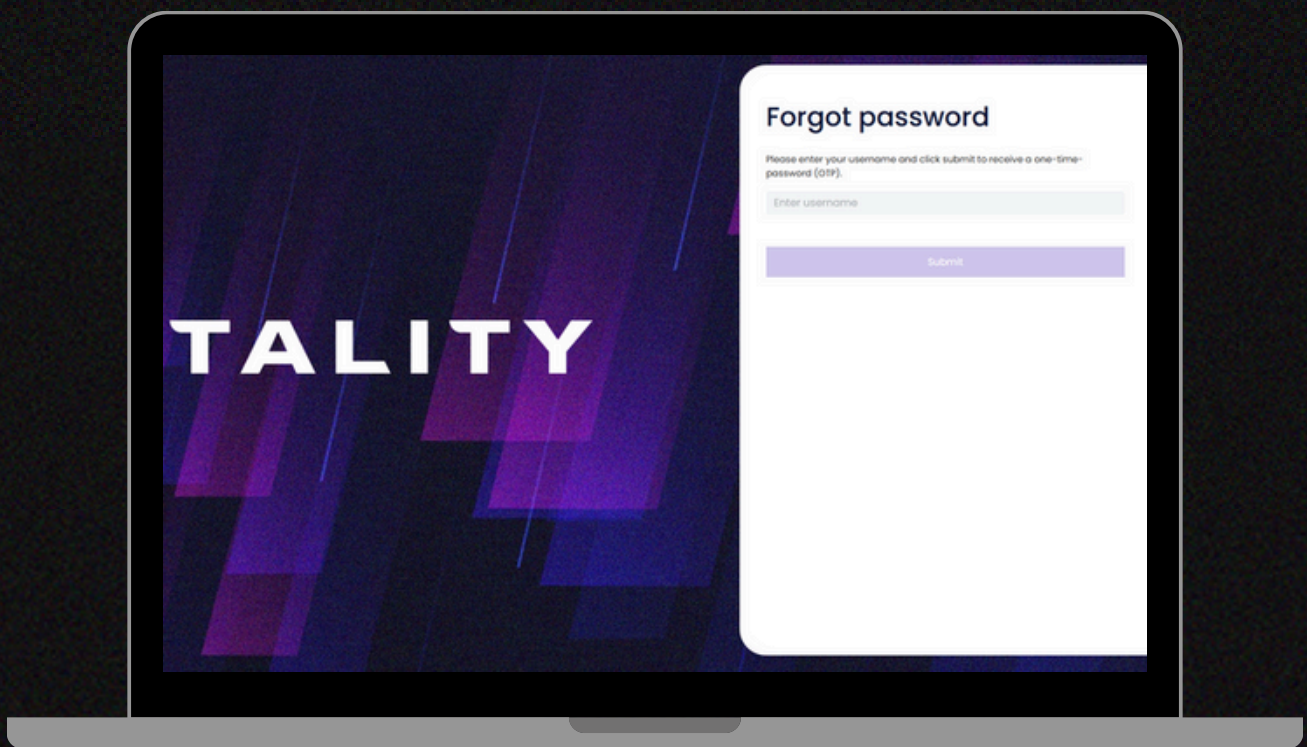

1) Visit Totality Core via your web browser at: core.totality.com.au

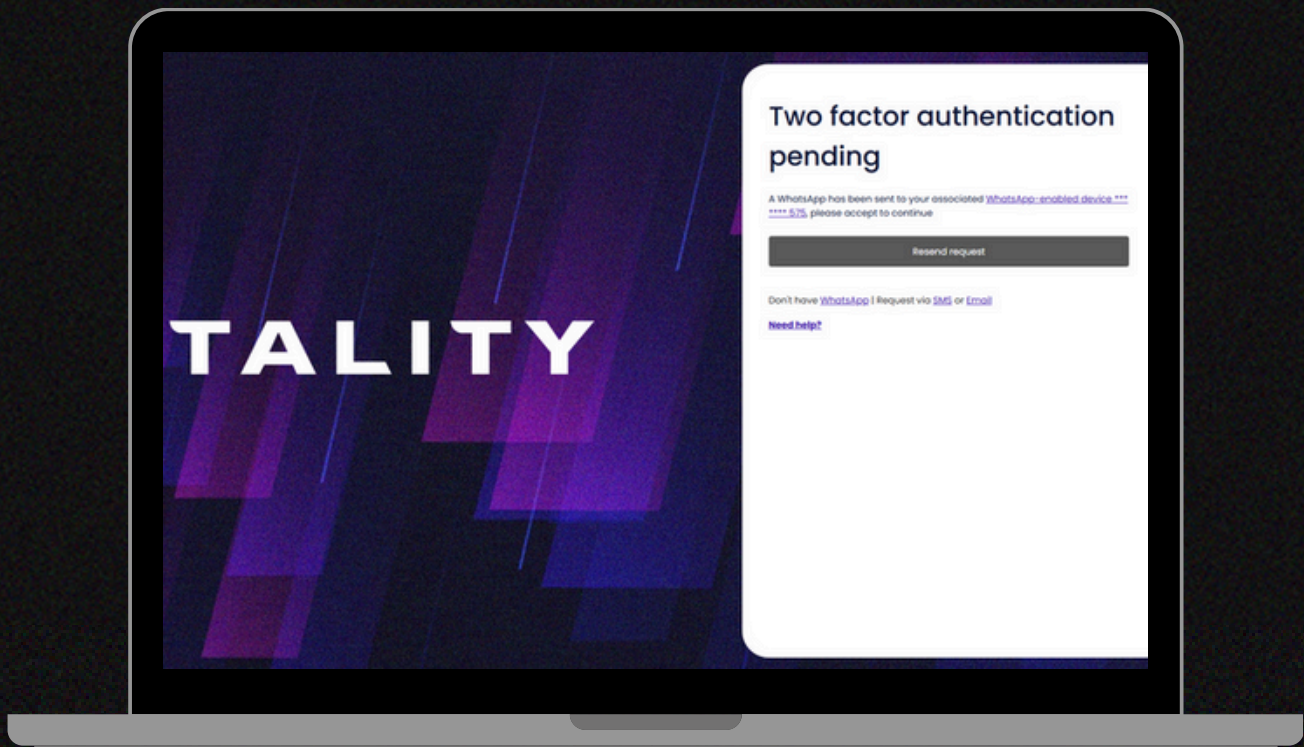

2. For existing Saxo clients, you'll be required to reset your password the first time you log in to Totality Core.
(This is a precautionary security measure)

3. Please enter your Saxo or Totality username. For existing Saxo clients, this will be your client I.D number.

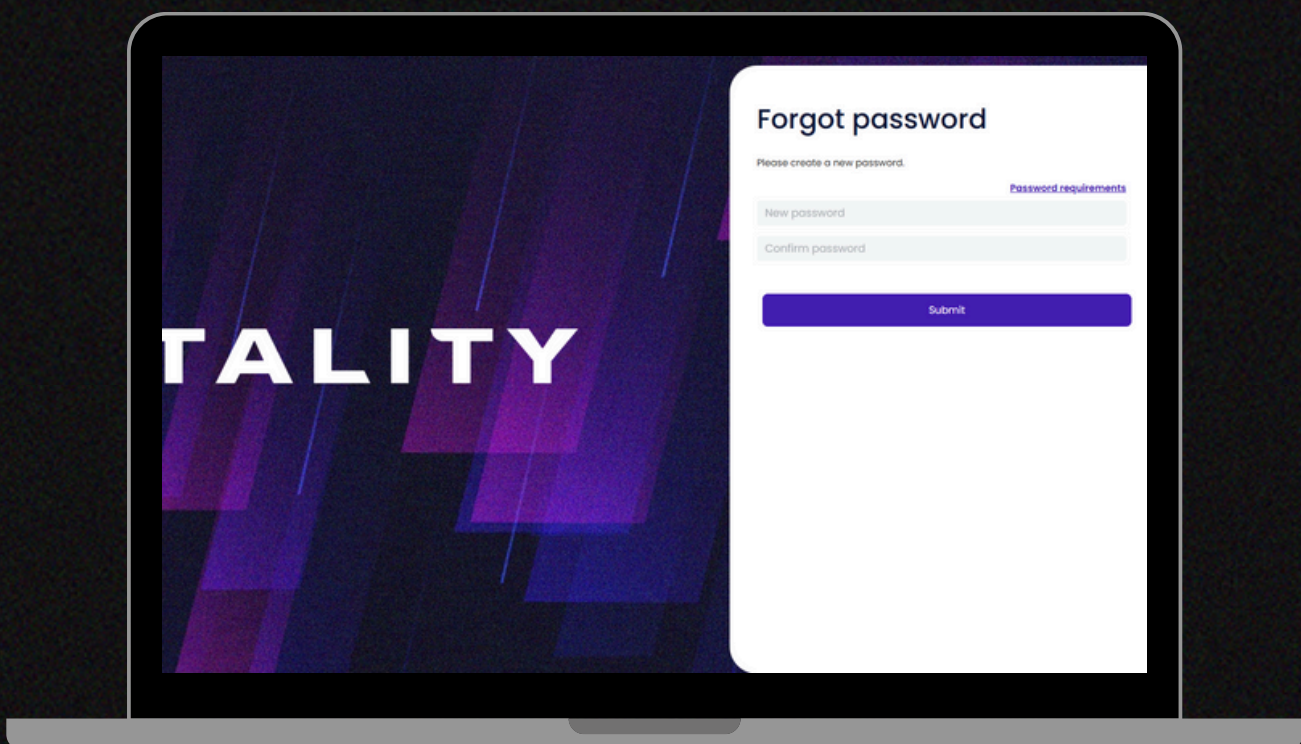

4. Please check your mobile device to confirm the 2FA prompt.
- If you have WhatsApp, check your account and approve the prompt.
 - If you don't have WhatsApp, please check your SMS messages for a one-time code and enter it on the platform.

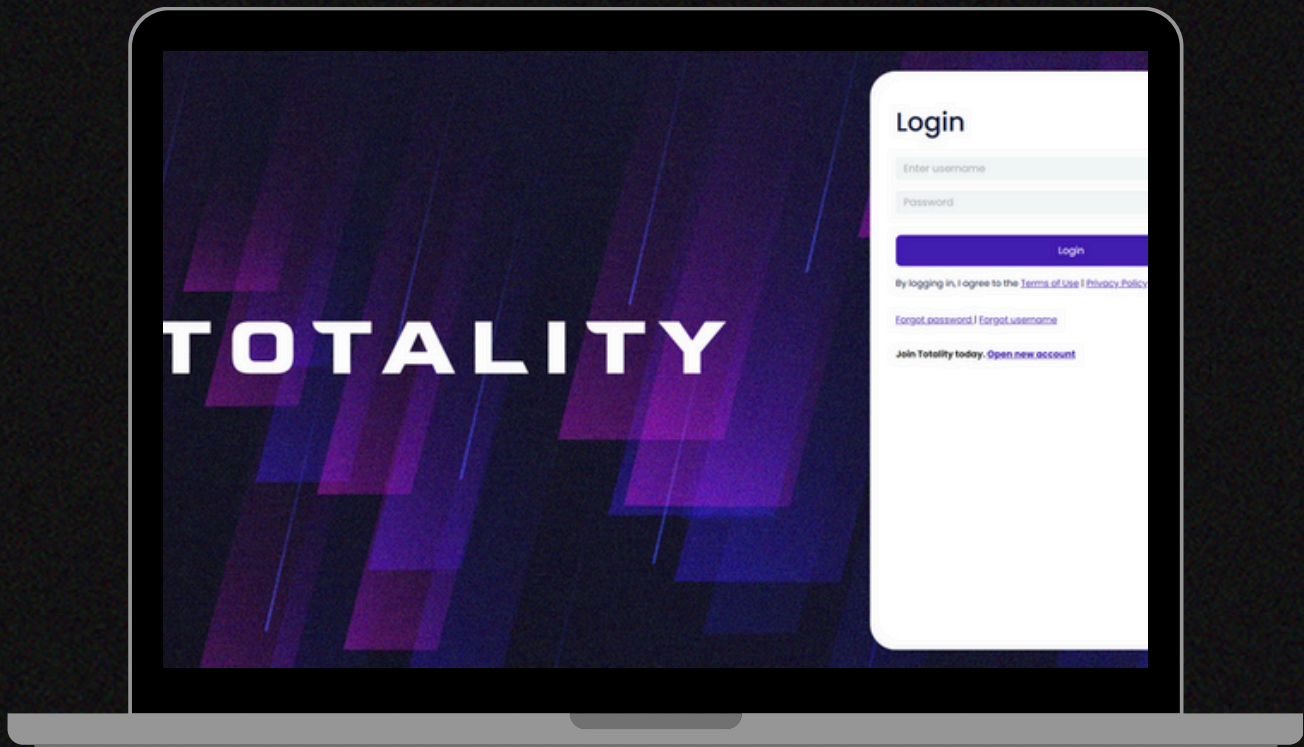

5. Please enter your new password and press 'submit'.
Please note: you may use the same password you originally had linked to your Saxo account (even if it's the same)

Please note the security password requirements below:

- Minimum 12 characters
- Minimum 1 capital letter (Upper Case)
- minimum 1 special symbol e.g " ! "
- Minimum 1 lower case letter

6. Please proceed to log back in with your new password.
