TOTALITY

Totality Apex: an introduction

What is Totality Apex? (Formerly SaxoTraderPro)

Totality Apex is our most advanced trading platform, built specifically for active traders and investors who demand speed, precision, and control. Engineered with institutional-grade technology, Apex delivers ultra-fast execution and streamlined access to global markets—empowering you to seize every opportunity with confidence.

Why Totality Apex?

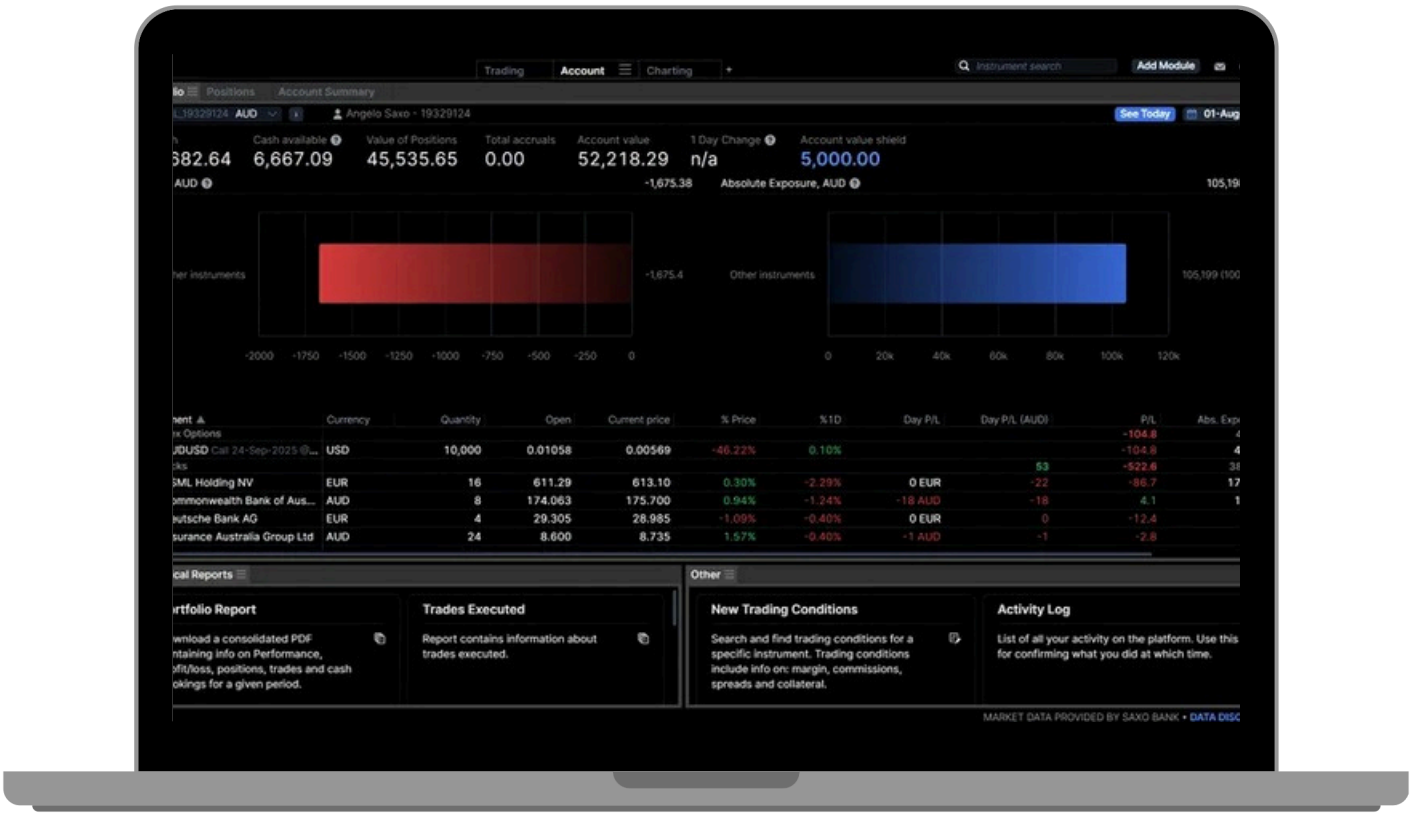

Totality Apex equips advanced, savvy investors and traders with the same high-performance tools and sharp execution trusted by professional traders.

- **Options Matrix**: Access personalised, real-time data and trade directly from the matrix.
- **Enhanced Trade Ticket**: Engineered for speed and efficiency in execution.
- **Returns Breakdown**: Analyse trade development using time-weighted percentages.
- **Portfolio Summary**: View current and historical reports of your holdings and exposure.
- **Performance Analysis**: Dedicated dashboards will help you visualise your P/L, returns, performance history and more.
- **Product analysis:** Go beyond the basics with interactive charts, performance metrics, and trusted analyst ratings—all in one place.
- **Algorithmic advantage:** From stealthy Icebergs to intelligent VWAP and liquidity- seeking strategies, our advanced algos help you trade effectively.

What products can I trade with a Totality Apex account?

With a Totality account, you gain access to a wide range of global financial products, including:

- **23,000+ stocks** across core and emerging markets on 50 exchanges worldwide
- **7,400+ ETFs** from over 30 global exchanges.
- **5,200+** government and corporate bonds across global exchanges and OTC markets.
- **3,100+** listed options on equities, energy, and more, from 20 exchanges worldwide.
- **250+ futures** covering equity indices, energy, metals, agriculture, interest rates, and FX.
- **8,600+ CFDs** with tight spreads and low commissions.
- **9 crypto FX CFD pairs**, or gain exposure through crypto exchange-traded products.
- **185 FX spot pairs** and 140 forwards across major, minor, exotic currencies, and metals.

Regulated, reliable, and ready

Fully regulated:

- We adhere to the strictest regulatory standards, and are fully licensed and regulated by ASIC.

Financial security:

- Assets are safeguarded by tier-one global asset custodians, such as Citi Group. Client funds are held in a segregated client trust account maintained in Australia with HSBC and NAB.

Secure transactions:

- Totality ensures your account activity and personal data are protected with advanced encryption and compliance standards.
